

[Coach and Volunteer Required Training](#)

Thank you for volunteering your time to Lincoln Little League for the 2026 season! Whether you are a head coach, assistant coach or team manager you play an important role with the league and we can't thank you enough. Without you, this season wouldn't be possible. Before the season begins there are a couple of steps you need to complete to ensure we are compliant with Little League, see below. For those of you, who have already completed the background check, thank you for that!

[Background checks](#)

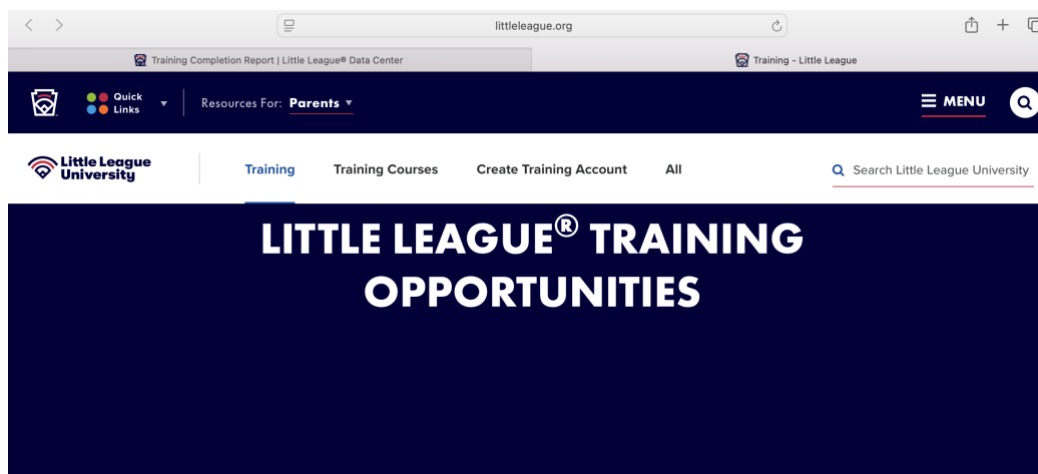

Every volunteer with the league is required to pass a background check. If you have received a link to complete the questionnaire thru JDP please complete so we can process the check. Most of you have done this already. According to LLL regulations you will not be allowed to volunteer without passing a background check. THIS IS MANDATORY.

[Abuse Awareness / First Aid Awareness / Safety Awareness](#)

Every volunteer with the league is required to complete the ***Little League Abuse Awareness***. It is also highly recommended you complete ***First Aid Awareness*** and ***Safety Awareness***. ***Abuse Awareness*** must be completed every year, even if you took the training last season. Certificates are uploaded to the district administrator as soon as you complete to make sure, we stay in compliance with Little League rules and regulations. Training is offered through the [Little League University](#), and you are required to do this.
